Phoenix Chapter Newsletter

January 2015

From Our Chapter Chair:

Wow, what a holiday season it has been for me and for the Phoenix 99s! I hope you all had a great holiday and enjoyed time with family and

friends. Recent Chapter events included a fun potluck with great views at the Falcon Warbirds Hangar in Mesa. Ashlie Gimbel came through once again with Treats to the Towers- we delivered treats to nine facilities in the reusable bags purchased last year after Christmas. Big thanks to Ashlie for coordinating this event. There was a spur-of-the-moment lunch and with Marina while she was in town, as well as fly-in lunches in Sedona and Marana with our Canadian friend Sylvia from the Flying Friends Facebook Group. Theresa Farley, now you have the hang of setting up fly-ins!

Now we kick it into high gear for our season of 99s activities. Come to the business meetings when you are able and help out where you can. We have quite an active group so there is always something to do to support flying. I am trying to make contact with the Tucson Chapter for a fly-in with them in our wonderful Southern AZ weather. More info to follow.

I want to thank everyone for your moral support as I have had some medical and mental issues in my family that made this a rough time. This is the best support group a gal could ask for.

See you at the Chapter meeting Wednesday, come early to socialize!
~Marguerite Baier

AVIATION DAY AT THE CAPITOL, 2015

Aviation Day at the Capitol is Thursday, February 26, 2015.

Ninety-Nines have made it a tradition to join with dozens of aviation associations and businesses annually at the State Capitol to share the good news about airports and aviation with our Arizona State Legislators. Chief organizer for Arizona Aviation Day at the Capitol is the Arizona Airports Association, the statewide association for airport sponsors, managers, and contractors. Our contact is Gladys Wiggins, the Manager of the Yuma Airport. Many of you will remember Tall Gladys from last year.

Volunteers should arrive at the Capitol (1700 West Washington) at 9:30 am., and plan to stay until about 1:30 pm. Free parking is available east and west of the Capitol complex. The Capitol lawn is located on the east side of the Capitol building. Check in at the tables located in front of the event tent on the north lawn, and let them know you are a Ninety-Nines pilot volunteer. Gladys and her staff will provide a team briefing and job assignments. Our job will be to help check-in and register legislators, staff and other volunteers, and provide them with name badges and lunch tickets. Lunch is provided for all 99s volunteers.

Contact Stacy Howard (stacykhoward@msn.com, 480-987-0352) to add your name to the volunteer list. Thank you for your support for this important annual event.

ACCOMPLISHMENTS:

Kayla Waskowski, Commercial Certificate

Home Airport: Chandler

Aircraft: Cessna 172 and Piper Comanche

Total time: 297 hours

Age: 19

Hometown: Grew up in Chandler, went to Chandler High School.

Aviation Goal: To become an airline pilot.

Most exciting aviation experience: After all of the training for the instrument rating, my best experience was finally being able to file IFR to California and actually being able to see why we do all that training.

Scariest aviation experience: The first time I flew out of state by myself was pretty scary, but I think it made me a better pilot.

Advice to student pilots: No matter how good you get you will always learn something on your next flight.

Next up? Multi-Engine training in a Cessna 310

SAVE THE DATE for this 99s AIR RACE

Nov. 12th, 2015. Rio Colorado Chapter is sponsoring an Air Race that begins in Thermal - Wickenburg and ends in Havasu with one overnight.

GIRLS CAN FLY UPDATE

Committee Members include: Stacy Howard, Sherlyn Halloran, Bonnie Coffey, Marguerite Baier, and Angela Dyer.

- GCF Day at IWA is March 21, 2015.
- Multiple tours and speakers are being pursued for GCF Day (Native Air, Embraer, Allegiant Pilot, CFI).
- Consider inviting prior campers to the March GCF Day. They could lead an event and record community support hours.
- Photo Bucket site created - slide show will be made and played as an opening presentation at GCF Day and Camp.
- Airport Game questions being reviewed for improved content and geared towards age appropriate and refresh on what was learned during camp or shared discussions.
- Proposed partnering with Embry-Riddle Aeronautical University on camp enrollment. Proposal is to have ERAU do an email blast to their distribution list after the March GCF day. This may enhance the Aviation 2 attendance.
- Camp curriculum is being reviewed for fresh content.

Mark your calendars with the date for GCF Day at Gateway...we look forward to having you volunteer to inspire young women! More info to come as the date approaches. Contact Angela Dyer: azifly150@yahoo
